LETTER

Sir:

The purpose of this letter is to thank Examiner Young T. Tse for the telephone conference of yesterday, August 13, 2001.

In these telephone conversations, the matter of election was discussed, and it was noted that an election was made in the first sentence of the Remarks in the letter mailed to the Patent Office on August 3, 2001.

Applicant also confirms that the Examiner is authorized to cancel claim 13 by Examiner's Amendment upon allowance of the remaining claims in the application.

It is further noted that the claims under consideration are those presented in the amendment mailed to the Patent Office on June 13, 2001, and not the claims in the FAX of May 16, 2001.

EA

If the Examiner has any further questions or suggestions relative to this case, it would be appreciated if he would telephone the undersigned. We again express our appreciation to Examiner Tse for the telephone call of yesterday.

Respectfully submitted,

Alan C. Rose, Reg. 17,047
